CLIENT: EVERTON FOOTBALL CLUB

“There is a level of service and communication that I hope for from a recruitment partner. The biggest compliment I can give to David and Elite Performance Partners is that what they did was not the norm.”

“They went above and beyond what I have come to expect and they were a pleasure to work with. It genuinely felt they were working for our club directly and had our best interests at heart whilst recognising that every candidate needed to be dealt with in an individual and authentic way.

We continue to speak regularly and look forward to continuing our relationship in the coming years.”

Kim Healey – HR Director at Everton Football Club
