## Testimonial

CLIENT: EVERTON FOOTBALL CLUB

“The appointment of our Academy Director was a key senior appointment for the club and we were impressed by the approach that David and his team at Elite Performance Partners took.”

“We chose them as they had a specific focus and knowledge of the performance sports sector globally which we hadn’t seen before. This led them to producing an imaginative and thought-provoking ‘long list’ of candidates which proved to us that they had understood our needs, our performance challenges and most importantly, our aspirations.

They were helpful, professional and diligent throughout the interview and assessment process and instrumental in both finding us our final candidate and helping him transition in to his role. Our own observations were endorsed by some of the candidates we met who were exceedingly complimentary about David’s approach to the assignment.

Clearly he had represented Everton, his client, very well.”
