CLIENT: THE FOOTBALL ASSOCIATION

“We asked Elite Performance Partners to work with us to conduct a search for a new senior women's head coach for football, following the departure of the previous head coach. It was a challenging search because of a range of complex factors.”

“Elite Performance Partners managed the search with great integrity and professionalism. It has been a delight to work with them throughout. Their thorough and rigorous approach to this global search has filled me with confidence that we have left no stone unturned.

Their knowledge of the high performance world and their understanding of the activities required for success allowed them to identify, assess and recommend high-calibre candidates from a variety of backgrounds and provide great insight into their suitability.”

Baroness Sue Campbell – Head of Women's Football at The FA
